

## **JANUARY 2007 - LEADERSHIP LETTER #13**

### **Leadership Series Schedule for 2007**

**Hello again everyone,**

John and Betty Schroeder are **Leadership Associates**, and together they offer a series of Leadership Learning events that are unique, effective and enjoyable.

During 2007, they will offer 10 different leadership perspectives, each focused on a famous American Leader. **Lincoln**, their most popular event, will be offered 4 times.

It has been my pleasure to participate in two so far ... **Lincoln** (focuses on Vision) and **Washington** (focuses on Organizational Problem Solving). The Lincoln Workshop was at Gettysburg, Washington's was near Mt. Vernon in Alexandria.

The "recipe" for them was similar: **Pre-readings**, presentation of the particular **focus model** (vision, problem solving, etc.), tackling your own **organizational situation**, having a very life-like **visit** from the famous American (wonderful!) with **Q&A**, a **tour** of their part of America, then back to your own **situation with learnings**.

How can anything so very enjoyable also be so effective and helpful? My next one, hopefully, is "**Teddy Roosevelt: Change Agent**" in July at Oyster Bay.

Following is this year's course schedule ...
